STEAMBOAT TV18

DIGITAL SIGNAGE NETWORK

- Over 200,000 unique visitors stand in front of our digital signage network each year, which are placed in the first places visitors experience when arriving to Steamboat Springs. This gives you the chance to be the first to plant your seed in their minds.

EXPLORE STEAMBOAT TELEVISION TV18

- Available on over 20,000 televisions throughout Steamboat Springs only on Comcast cable television

PROMOTIONAL EFFORTS

We are working hard to get you noticed. We cross promote all of our brands and our media outlets in every location we can.

- We start with our 8 digital signs in high traffic visitor locations
- We rack and stack our magazines in over 40 locations throughout Routt County
- We distribute our magazines to over 3000 hotel rooms and condominiums
- We distribute our newspaper in over 200 locations
- We operate 2 of the most highly trafficked websites in Steamboat Springs
- We have a social media team that communicates daily on social outlets
- We operate 2 television stations
- We produce live television from Gondola Square
- We have 2 mobile applications for smart phones and tablets

Each outlet is telling our audience to tune in, pick up or download our products, which is where you should be communicating with our general audience or our specific niche audiences. Who else is making this kind of effort for your business?
