**RE: Please Support Economic Stimulus Program for State and Local Infrastructure**

Dear Senator Allard:

The City Council of Steamboat Springs joins municipalities from across Colorado to urgently ask your support for an economic stimulus package that would fund state and local infrastructure needs for Colorado and its local governments. The City has identified its top priority capital projects for the city and the community of Steamboat Springs in the *City of Steamboat Springs Five-Year Capital Improvement Plan, 2009-2013*:

Highway Infrastructure	U.S. Highway 40, Downtown	\$ 10,000,000
Highway Infrastructure	U.S. Highway 40, West	\$ 12,000,000
Wastewater Infrastructure	Plant Expansion and Upgrades	\$ 6,500,000
Wastewater Infrastructure	Main Replacement: Inflow and Infiltration	\$ 6,200,000
Water Infrastructure	Plant Expansion with Mount Werner	\$ 6,000,000
Multi-Modal Transportation	New and Replacement Coaches	\$ 4,000,000
Airport Infrastructure	Taxiway	\$ 7,000,000

We thank you for your consideration and for your support for this request.

Sincerely,

Paul Antonucci, President  
City Council of Steamboat Springs
