Mayor and Hayden Town Council

Mayor,

Thanks for 6 ½ years of great working conditions and support. It is with some sadness I give notice of my resignation as of August 7th, 2010. I have completely enjoyed my time and will be forever grateful for the opportunity given to me by you the Town Council and the citizens to work together on so many good things. The staff I worked with here are extremely capable and I was, and I know you are, thankful you have such terrific people working here. Hayden is a special place and has great things ahead which I hope in my time I have helped bring about and prepare the Town for these and look forward to watching it flourish.

I have accepted an offer of employment as the Town Manager in the Camp Verde, Arizona starting on August 9th. I am excited for the opportunities that are there and look forward to working closely with the community of Camp Verde, its Mayor, Council and Staff. Again my wife, Ann and two kids are very appreciative of all Hayden has given us and we are looking forward to what Camp Verde will bring.

Sincerely,
