# Moffat County Fair

## Dedicated to

## *The McIntyre Family*

The McIntyre family is one of the few families who homesteaded in Moffat County and still make it their home. May (Steele) McIntyre traveled with her family from Sharon Springs, Kansas, in 1917. They homesteaded north of Maybell in Fairview in 1917. She married Rich McIntyre in 1934 and they lived north of Lay on Rich's homestead. They were blessed with five sons: Dick, John, Sam, Thomas, and Marvin. In 1937, they moved to the current McIntyre Ranch location in Maybell where they raised their five boys. May was an active member of the community. One of May's passions was teaching children to read. She volunteered in schools throughout the county. She also enjoyed rodeos, dancing, baseball, fishing, and hunting, but her greatest joy was her family. She was blessed with 14 grandchildren, 33 great grandchildren, and 16 great-great grandchildren.

Her involvement with the Moffat County fair began in 1918, at the age of 7, when she attended the first county fair in Maybell. She did not miss many throughout her lifetime. Fair, in the olden days, was a way for the locals to get together and show off their livestock, crops, and vegetables.

May truly enjoyed visiting with neighbors and catching up on each other's families. Over the years, she entered many of her vegetables and canned goods. As her sons grew older and began showing cattle, she thoroughly enjoyed watching them. Throughout the years, she watched many of her grandchildren and great grandchildren exhibit at the fair. The Moffat County Fair was a tradition that May delighted in. Sam, May's middle son, and his wife, Georgia, now live on that same ranch where Sam was raised. They have made agriculture their way of life, ranching on the homesteads of many of their family members still today. As kids they both participated in many 4-H and FFA activities. Sam was the first FFA president in Moffat County and showed cattle for many years at the fair. Both he and Georgia also participated in the rodeo.

They raised five children - Sandy, Chad, Zander, Danna, and Chip on their ranch in Maybell. All the kids showed cattle at the fair, making at least 50 steers that they exhibited. The majority of these steers were home grown and raised!

Sam and Georgia have always been active in the community and with the 4-H program. Over the years, they were leaders for beef, leather craft, photography, horse, or whatever else the Maybell Rustlers needed. Sam dedicated 32 years to the 4-H Foundation, being recognized as an Honorary Member this year. He was also a beef superintendent for many years. He and Georgia helped start the Moffat County Breeding Beef awards that are presented to the breeding exhibitors at the fair. The wheel barrow races and the turtle races were always a highlight of the fair for them.

From when they were children themselves, tagging along with their parents to fair, you can always expect to see them there. Now they go to watch their grandchildren and catch up with the neighbors, just like May did when she was young. They are truly icons at the county fair. In the memory of May, Sam and Georgia, the Moffat County Fair Board proudly dedicates the 2011 fair to you. Thank you for all you have done, and still do, to promote and support the Moffat County Fair. Thank you for helping us keep the tradition.

# Moffat County Fair Honorary Volunteer

***Joyce LeFevre***

Joyce LeFevre was born in Cody, Wyoming, and grew up with 4-H and an attitude of serving others. She began her 4-H 'career' growing up on a ranch near Meeteetse, Wyoming. She has been involved ever since! In Meeteetse she was involved in cooking, sewing, and lamb projects. Her Mom was a 4-H Leader for the Upper Graybull 4-H Club. Joyce remembers taking as her lamb project, a pen of 3 bum lambs, as they did not have market classes at that time. Sewing, cooking and leather craft were taught in school, giving her a background in those areas.

After graduating from high school, Joyce went to Central Business College in Denver. It was a tough time for Joyce, moving from the ranch to the big city. She worked for friends on the race track at Centennial on weekends and every possible break, which helped fulfill her 'ag' habit. During this time, she met Tom, who was going to automotive school. They were married in 1967 and Joyce moved home for a brief time when Tom got drafted. Upon Tom's return from the service, they moved to Basalt for Tom's job with the State Highway Department. In Basalt, Joyce was a leather craft leader for a very large club. In December of 1980, Tom was transferred to Maybell, so they packed up their bags and their children, Connie, then 3, and Gene, a

first grader. Joyce quickly became a big asset to the Maybell community. She took over leadership of the Maybell Rustlers 4-H Club. She noted that the Maybell club was the second club to be chartered by the State of Colorado. She taught all projects, from cake decorating to livestock, but leather craft and horse were her favorites. She was the horse 'taxi' for all the horse members in the area, going around picking up all the kids and their horses and taking them to the Maybell arena to practice their horsemanship skills. She fondly remembers helping one of her young protégés get bucked off. The club was very active under Joyce's leadership, taking many projects to both the county fair and the state fair. She has also been a leather craft judge. She's just about done it all.

Joyce has not only been involved with the 4-H program, but has been and still is, involved with all aspects of the community. She taught leather craft through CNCC to Seniors at Sunset Meadows II, has been a bus driver for the Maybell Senior van, on the Maybell Ambulance crew for 12 years, helps tend the Maybell Cemetery as a master gardener, planting trees and helping install a drip system for watering. She has been involved with Little Britches and the FFA Advisory Board, serving as an FFA chaperone for numerous state trips. She does the Maybell Senior Citizens Route, has been a member of the Maybell Roping club, and has been a substitute school bus driver. She worked at the post office in Craig from 1995 to 2009, along with all her other 'jobs'. Currently, she carries the mail on the Brown's Park Route, a 180 mile route.

As a result of all her volunteer work, Joyce has been honored as Citizen of the Year from the Maybell Women's Club, and as an Outstanding 4-H Leader. She and Tom have been recognized by the National Weather Service for twenty years of service recording and reporting the weather. They have also been honored with an Honorary FFA Chapter Degree.

Both Gene and Connie were also very active in the 4-H program. Gene took leather craft, beef, sheep, swine, and small engines, receiving numerous Senior Showmanship awards. While still in high school, he began an active shot gun club. Gene and his wife, Morsan, live here with their two children, Travis, 4, and Nathan, 1. Connie and her husband, Brandon Lyster, also live here. Connie took horse, leather craft, beef, sheep, swine, breads, cakes. She is still an active participant at the open horse show and is a consistent winner in our salsa contest at fair. She has won numerous horse awards and she and Joyce used to put on the Open Horse Show. She currently is the State Director for the NBHA and sponsors and participates in barrel races all over the region.

Joyce believes in 4-H! She has been an open class superintendent for many years and is currently an open class photography superintendent. She believes 4-H helps build character and responsibility. It is a good family connection. As you can tell, Joyce most assuredly deserves the Honorary Volunteer award for the 2011 Moffat County Fair. Joyce, we sincerely congratulate you and thank you for all you have done and continue to do to promote 4-H and the fair, despite your busy busy schedule. Our hats are off to you!

HONORARY VOLUNTEER

# Moffat County Fair

## Honorary Volunteer

***Shane Wilson***

Without the cooperation and generosity of many, many volunteers, the Moffat County Fair would not go on. One of those very deserving volunteers is Mr. Shane Wilson. As many of you well know, Shane, along with Chad Green, is one of our Junior Livestock Sale auctioneers. These auctioneers *volunteer* their time and talents each year to make our sale a success! Shane has been involved with this process for as long as most of us can remember. Shane had a tough act to follow, stepping into the role his father, Homer, had played for many years. Homer Wilson was one of the original founders and organizers of the Moffat County 4-H Foundation in 1968. He auctioneered the Junior Livestock Sale from its inception until his retirement in the early 1980's, at which time Shane took over. Shane has volunteered his time since 1980 – that's a commitment!

Shane was born and raised in Moffat County, graduating from Moffat County High School in 1977. He has two step daughters – Brooke Schmidt and Morgan Mattas. He was FFA President in high school and was awarded the State FFA Horse Proficiency Award in 1977. He has been a

livestock cattle producer and dealer in Fruita, Colorado since 1984. Shane has always been associated with the livestock industry. He loves to work cattle, ride horses, team rope, and enjoy nature's outside world.

With that said, we need to note that Shane has taken time out of his busy schedule every year for over 20 years to return to Craig to auctioneer this sale for the youth of Moffat County – that's a commitment!

Over the years, and from working with his Dad with the Junior Livestock Sale, Shane has watched the kids here in Moffat County grow up and return to the Fair as proud parents helping their kids continue this tradition. He sees them carrying on their legacy through the generations, as he has done – that's a commitment!

Shane, the Moffat County Fair Board wants to extend to you a huge heartfelt thank you and sincere appreciation for all you do and have done for the Moffat County Fair. It is with this sincere gratitude that we have named you one of our Honorary Volunteers for the 2011 Moffat County Fair! Thanks Again – it is a commitment!

# Moffat County Fair Senior Queen

***Imelda Hernandez***

Hi! My name is Imelda Hernandez and I am proud to say that I am your 2011 Senior Fair Queen. This year is my 6th year in 4-H and my 4th year being a Jr. Leader for the dog program. Also, this year I am part of the 2011 graduating class and I will be attending Emporia State University in the fall to study Criminal Justice. Sadly this year will be my last year in the 4-H program. I have enjoyed every minute of it and have learned so many skills that will help me throughout my future.

In my free time, I like to hang out with friends, play soccer, and spend a lot of time outdoors. I also spend a lot of time at the Boys and Girls Club playing with the kids. I'd like to also thank my family and friends for all the support they have given me. I can't wait to see everyone at the fair.

Thanks for letting me be your 2011 Senior Fair Queen. This will be a memorable year for me. Thanks again!!

## *Emily Wellman*

Hello, everyone! I am Emily Wellman and I am your 2011 Senior Fair Queen Attendant. You could say that I have been in 4-H my whole life; however this is only my 9th year that I have had a project at fair. I am also very involved with the Moffat County FFA program.

This year, I will be taking market lambs and breeding sheep, also I will have a pie in the general projects. Through my projects, I have learned that through hard work and determination, you can achieve anything. In my spare time, I like to spend time with my pets, read and hang out with friends.

After I finish High School, I plan on going to college to be a Vet Tech and I know that everything that I have learned through 4-H and FFA will be extremely helpful. Thank you to all the supporters I have had over the many years, I wouldn't be where I am today without you. Let's make this a great year and I hope to see you at fair!

# Moffat County Fair Intermediate Queen

Hi, I'm Kaitlyan Reed and I am excited to be your 2011 Intermediate Fair Queen. I like 4-H because it teaches responsibility and other life lessons.

This year is my sixth year in 4-H. Market swine, cake decorating and cloverbuds are all projects I have done in the past. The new project I am going to take on this year is horse. I am still going to participate in market swine too.

Some other activities I enjoy are basketball, softball, volleyball, water sports and dirt biking. Hope you all have a wonderful year and a great time at the 2011 fair!

# *In Memoriam*

---

*Over the past year, we have lost many dear to the fair and the 4-H/FFA programs - leaders, members, and long time supporters. They all contributed in some very significant way to the success of the fair and the 4-H/FFA programs. Their contribution may have been through their accomplishments, their dedication, their unending support, or a living legacy. Losses like these always leave a void in the hearts of the community.*

*We, the Moffat County Fair Board and the Moffat County 4-H Foundation would like to express our sincerest sympathy and thanks to each and every one of the families involved. Their heritage will live on, not to be forgotten!*

**The only exception to this rule is for Jellies. Colorado State University Extension has determined that the high altitude processing times listed in the Ball Blue Book should not be applied to jellies, since doing so would result in a severely overprocessed product. Then choose the appropriate size (accessory item/wall hanging, bed, crib/lap). Then choose the class within that division that best describes the specific technique used. Crib/lap size is 30" to 45" on the shortest side and 50" to 60" on the longest side.

## **DIVISION 538**

### **SHOWMANSHIP**

**There are no universally accepted standards for judging a showmanship class, and the winner is the one who, in the judge's estimation, does the best job of showing their dog. In showmanship, as opposed to obedience classes, the heaviest emphasis is placed on the handler's performance and presentation of dog. In 4-H Showmanship, conformation of the dog is specifically not to be considered.**

#### Appearance of Handler

Cleanliness and neatness of handler—Appropriateness of apparel

#### Grooming of Dog

Brushing (mat, dead hair) trimmed toes and nails, clean teeth, groomed according to most apparent breed type.

#### Exhibitor's Handling of Dog

Front Set-up: judges side first, head high (no choking), feet placed directly beneath the shoulders— toes pointing straight forward, legs should fall vertical from shoulder and parallel (within limit of the most apparent breed),

Rear set-up: Legs slightly wider apart than front-adjust the leg that is most out of line first.

Gaiting: Ability to follow direction in judge's pattern. Dog always fully visible to judge. In gaiting position, smoothness in turns, gait proper to most apparent breed (when applicable). Ability to exhibit dog's movements according to most apparent breed.

Examination: Stand properly during entire examination, does not sit or move away before or during examination. Does not growl or snap. Any dog attempting to bite a handler or anyone else in the ring, will be dismissed from the ring. Dog is happy and attentive to handler.

#### *SHOWMANSHIP CLASSES*
